## Calming Chew

Promotes relaxation and calmness

[dogbarkode.com](https://dogbarkode.com)

Welcome to Dog Barkode! A transparent dog supplement brand, here to improve your dog's life from inside out, one treat at a time!

**Calming Chew**, Promotes relaxation and calmness, 30 soft chews with natural salmon flavor, 75g, suitable for all dogs, 6+ months

Specially developed to help dogs stay calm during storms, fireworks, car trips, separation anxiety, grooming or vet visits:

- Developed to help support brain function while encouraging your dog to relax and stay calm
- It gives your dog the tools to deal with external stressors
- Perfect to help calm your dog while summer storms, fireworks, environmental changes, car trips, grooming, vet visits and more
- Easy to dose and feed for even the pickiest eaters
- For dogs of all sizes

**Feeding guide:** Dogs under 10 kg: 1 chew/day, dogs between 10-30 kg: 2 chews/day, dogs over 30 kg: 3 chews/day. For preventive care, you can lower the dosage to half. Daily amount can be split across morning/evening. Always ensure fresh drinking water.

**Active ingredients per chew (2.5g):** Organic Hemp Seed Powder, Organic Hemp Seed Oil, Organic Chamomile, Colostrum, Organic Passion Flower, L-tryptophan, Valerian Root, Organic Ginger Root, Suntheanine, Melatonin, Vitamin B1. Inactive ingredients per chew - the gourmet part: Coconut Oil, Oat Flour, Rice Bran, Rice Flour, Flaxseed, Natural Duck Flavoring, Sunflower Lecithin, Coconut Glycerin, Powdered Cellulose, Sorbic Acid, Rosemary Extract. Mixed Tocopherols.

**Warning:** Do not exceed the quantity listed above. Keep out of the reach of children and animals. In case of accidental overdose contact your veterinarian immediately.  
For animals only. Keep in a cool dry place, and avoid direct sunlight and heat. Close the can after use. The product is a complementary food for dogs and it's not a substitute for veterinary care, healthy nutrition, and lifestyle.
