Multi Chew

3in1 daily immune system, skin, and joint support

dogbarkode.com

Welcome to Dog Barkode! A transparent dog supplement brand, here to improve your dog's life from inside out, one treat at a time!

Multi Chew, 3in1 daily immune system, skin, and joint support, 30 soft chews with natural salmon flavor, 75g, suitable for all dogs, 6+ months

Support your dog and his immune system, gut health, digestion, skin and joints with this simple and quick daily chew routine:

- developed to help support your dogs daily needs for a comfortable, healthy and active lifestyle
- boost your dog's immune system
- support those with seasonal allergies
- help your dog maintain a healthy intestinal tract
- help with directly related skin and coat issues such as itching and paw licking
- help maintain mobility, hip, joint health and strengthen muscles

Feeding guide: Dogs under 10 kg: 1 chew/day, dogs between 10-30 kg: 2 chews/day, dogs over 30 kg: 3 chews/day. For preventive care, you can lower the dosage to half. Daily amount can be split across morning/evening. Always ensure fresh drinking water.

Active ingredients per chew (2.5g): Glucosamine, Chondroitin Sulfate, Msm, Organic Chamomile Powder, Vitamin C, Yucca Schidigera Extract, Organic Passion Flower, Valerian Root, Enzyme Blend (Amylase, Protease, Lipase, Cellulase, Lactase, Bromelain) Greek Yogurt (Non-fat Dry Milk, Lactic Acid, Bacillus Coagulans, Lactobacillus Brevis, Lactobacillus Plantarum, Streptococcus Thermophilus), Thiamine(Vitamin B1), Riboflavin(Vitamin B2), Vitamin B12, Biotin, Pyridoxine(Vitamin B6), Hemp Extract, Organic Hemp Seed Powder, Organic Turmeric. Inactive ingredients per chew - the gourmet part: Palm Fruit Oil, Oat, Natural Salmon Flavoring, Organic Brown Rice Syrup, Sweet Potato, Sunflower Lecithin, Cellulose Powder, Carrot, Tomato, Rice Bran, Coconut Glycerin, Sorbic Acid, Rosemary Extract, Mixed Tocopherols.

Warning: Do not exceed the quantity listed above. Keep out of the reach of children and animals. In case of accidental overdose contact your veterinarian immediately.

For animals only. Keep in a cool dry place, and avoid direct sunlight and heat. Close the can after use. The product is a complementary food for dogs and it's not a substitute for veterinary care, healthy nutrition, and lifestyle.
